

Eco Schools Meeting 12th January 2016

Oliver Flintoff, Adam Horner, Nathan Winter, Abbie Meadows, Jodi Bentley, Mrs Mansfield.

Celebrated that our school has now got the Silver Eco Schools Award!

We reviewed the effectiveness of the actions on switch off fortnight, everyone thought that the poster competition went well and made people think about the energy they were using. We all thought that we are better in school at switching lights and computer off when they are not being used. The posters and labels need to be checked in school and keep reinforcing the message.

This term first half focus is 'changing one thing' to reduce your carbon footprint. The committee are going to prepare and present class assemblies to each class to get every pupil and staff member to sign up to change one thing.

The second half term is focusing on waste week 7th to 11th March and 'Clean for the Queen,

Nathan and Oliver shared their experience at the energy event.
