I have pleasure in advertising the post of 0.9 teacher at North Stainley CE Primary School. This post is to work with a delightful class of Y4/Y5 children.

We are a small, friendly, village school set in the beautiful North Yorkshire Countryside. We have a very committed team of staff and Governors and supportive parents; we are at the heart of our local community. Our children are lively and keen to learn.

In 2016 the school was rated Good by Ofsted and Outstanding by The National Society-SIAMS. We are a voluntary controlled CofE school and have strong links with our local church.

We are looking to appoint a cheerful, creative, outstanding and hardworking member of staff to join our team. If you would like to be part of our team and have the vision to see the exciting possibilities for education in the future; then we would love to hear from you.

Please contact the school for an application pack. Return the completed application form with a letter stating your curriculum strengths and particular areas of interest. The post is to start in September and is initially for one year. The post is offered up to M3, NQTs are welcome to apply as are more experienced teachers.

Visits to the school are warmly welcomed; please telephone to make an appointment.

The school is committed to safeguarding and promoting the welfare of children and young people and the successful candidate will be required to undertake an enhanced CRB clearance.

Closing date: **Wednesday 24th May 3.30pm**

Short listing will take place on Wednesday 24th May; short listed candidates will be contacted by phone or email

Interview: **Tuesday 6th June**

Thank you for your interest in our school, we hope to hear from you.

Kind regards,

Elizabeth Watts
