Dear Parents and Guardians,

## **EXTENDED SCHOOL PRICING REVIEW**

Having recently been through the school budget with the governing body, we have had to review the pricing structure of the extended provision at our school. This is to ensure that it breaks even and covers the costs of the staff, who go to great efforts to ensure that the clubs and stay and play are enjoyable for the children and remain a valuable service to people who need them.

At the current pricing structure we are not breaking even and we cannot use the main school budget to cover the cost of the extended school facility. The service needs to break even to remain available to our families.

With this in mind, the charge for after school club will increase to £4 from Monday 16<sup>th</sup> April, to match that of stay and play and the price for other sessions will remain the same at this point.

Other solutions have been explored such as a committing to a full term and payment in advance but we prefer to keep our flexibility.

The charges will be reviewed again at the end of the summer term and we will inform parents of any changes.

Thank You for your continued support

Yours sincerely,

Mrs E Watts

“Your support for your child’s education is crucial to their progress. Please tell us if there are any adjustments we need to make to help you support your child, for example: letters in large font; letters in different languages; wheelchair access; explaining things over the phone; a discussion with a school colleague of the same gender.”
