Christian Value- Hope

Global Dimension – Human Rights

Christian Value: Hope

Hope is a core Christian value. A Christian's hope is based on Jesus Christ's promises that He can redeem mankind and provide mankind eternal life. The Christian value of hope enables a Christian to be patient and persevere even though Jesus' promises of eternal life are unseen and unrealized in this present time. Roman 8:24 advises us to place our hope in God and not in material things.

Romans 8:24, "For we are saved by hope: but hope that is seen is not hope: for what a man seeth, why doth he yet hope for?"
