

Dear Parents,

## SPORTS FUNDING

As I mentioned in my newsletter we are using our sports funding to pay the sports coach who works with us on Monday afternoons and runs an afterschool multi sports club. We also pay for our dance and drama coach who works with us on Tuesday mornings.

We have now managed to secure an experienced Level 3 football coach, who will be coming into school to run a lunchtime football club. The club will be open to all pupils but there is a limit of 16 pupil per session. If you would like your child to take part in the football club please return the slip below.

The children will need football boots or trainers (if the ground is hard) and full PE kit in school.

We have also now booked tennis lessons at Ripon Tennis Centre for our pupils in Class 2 and 3. These lessons will take place on a Friday for 5 weeks starting on 25<sup>th</sup> April. The children will be transported by coach to the tennis centre and will receive one hours coaching by the experienced staff.

The children will need to have their full PE kit in school with suitable sports shoes, a drinks bottle and a hat if the weather is sunny. We would also advise that on sunny days the children have sun cream applied before school.

Please return the permission form attached by 24<sup>th</sup> April.

The tennis lessons, transport and the football costs are being paid for using our Sports Funding.

If you have any questions please come and speak to a member of staff.

Kind regards,

Mrs E Watts  
Headteacher
