

*Ugly Sister One: Penelope*

*Penelope wears a pink t-shirt that is covered in thick, sticky mud. She has a big green wart on the end of her crooked nose. There are flies that buzz around her head because she smells of rotten eggs and brussel sprouts! Penelope never brushes her hair and this means she has very itchy nits all over her head! Penelope is not a nice sister because she is wicked and cruel to Cinderella making her clean her very smelly socks!*
