

## Homework help

Hello Hadi Athab

You now have your own account on MyMaths and can complete homework tasks when at school or at home. Your teacher will let you know which tasks they want you to complete and when.

### How to access MyMaths

Go to **www.mymaths.co.uk** and log in at the top of the screen using your school username and password. On the next screen enter your personal username and password in the My Portal box.

### Your login details

**School username:** stainley

**School password:** homework1

**My portal username:** 100

**My portal password:** mfx

Please keep a record of your username and password as you will be asked to enter them every time you log in to MyMaths.

We recommend using MyMaths on a desktop PC, laptop or tablet to get the best experience.

### Completing your homework

You can see tasks your teacher has set in the Homework area. If you click on one of the tasks, you will have the option to revise from the lesson first or go straight to the homework.

Each homework has 2 pages of questions. You must press the **Mark it** button on both pages to complete the task.

If you want to save your work to complete later, you can press the **Save** button. This will save your work for 2 weeks.

You can try each task as many times as you like. Only your best score for each page of questions will be recorded. Your teacher will be able to see how well you did and when you completed the task.

You can see your completed tasks and how you're getting on in the **Results** area. You can also tell your teacher what you thought of each task by giving it a **Rating**.

For more information on how to complete homework, visit our dedicated **Support** site. You can access this at any time by clicking **Help**.
